

	Learning objective	Main teaching	Activity	Resources	Vocabulary
Monday	LO to revise/revisit topics I found tricky	Look back at past papers we have completed before. What did you do well at? What would you like to focus on today?	Use Target Your Maths/ Abacus/ Previously Printed SATs Questions etc to give chn opportunities to practise skills they feel they would like to improve on. Y6 have lots of SATs questions from last week or can print more from: https://www.maths4everyone.com/resources/sats-questions.html OR they could have a Chromebook and access these questions on a screen to then have a go at the different topics.	SATs questions SATs papers completed before Worksheets Textbooks Maths books	Revise Revisit Topic Opportunity Practise Geometry Algebra
