

Alien Adjectives

Choose one of the aliens from the selection below or find one yourself:

In your exercise book, describe the alien using no more than four adjectives and one preposition for each body part.

E.g. The alien I saw had sangria-red, oval eyes on top of long, stretchy stalks.

Use the colour thesaurus to make your sentences interesting!

The alien I saw had:

_____ , _____ horns

_____ , _____ teeth

_____ , _____ claws

_____ , _____ skin

_____ , _____ head
