	Writing composition	See weekly English timetable	Weekly English timetable
	Creative writing	x1 writing task per week	Whole school Writing Task Exercise book
Handwriting	Handwriting (if you have a booklet)	One page per week	Handwriting booklet

Sport topic activities

You should complete one of these each day.

PE (In addition to **daily** walks/circuits/obstacle courses)

Create a new sport game! It can be an individual sport, paired sport, team sport. Think carefully about the rules/aims of the sport. Will there be points? How will you collect points?

Geography

National Sports

Did you know? The national sport of China is table tennis. They are the most successful nation in Olympic table tennis winning 53 medals at the Olympic games (28 gold, 17 silver and 8 bronze).

Can you find the national sport of one country and create an information pack about it (a powerpoint / poster / fact file).

Who's taking part?

Look at an international sporting event, e.g. Euro 2020 – can you use an atlas to find the countries which were going to take part? <https://www.uefa.com/uefaeuro-2020/teams/>

Choose one country from the competition to create a fact file about. Includes things such as:

- The flag
- Population
- Continent
- Capital city
- Any cool / fun facts you can find!

History

How did the Olympic Games begin?

Go to this BBC bitesize page. Read through and watch the video before discussing how the olympics have now changed.

<https://www.bbc.co.uk/bitesize/topics/z87tn39/articles/z36j7ty>

Battle of Marathon

Watch this link and research the Battle of Marathon.

<https://www.youtube.com/watch?v=gNAXqaoPLO0>

Imagine you were a journalist living in Greece during the time of the Battle of Marathon. Your job is to write a newspaper article informing the reader what had happened.

Music

Learn a national anthem

Did you know Greece has the longest national anthem in the world. It is 158 stanzas! Can you research the national anthem for a country of your choice and learn it the whole way through?

Create your own sporting chant

For example:

*Kick that ball, and make a score,
Come on team, we want to see more,
Move those feet,
Victory is sweet!*

Science

Muscles and Movement

Watch this clip: <https://www.bbc.co.uk/bitesize/clips/zpp6n39>

Decide on 5 exercises you will perform (e.g. star jump/sit up/jog), and predict what muscles you will use. Then perform the exercise and work out which muscles you actually used. Note your predictions and answers in a table.

EXERCISE	PREDICTED MUSCLES	ACTUAL MUSCLES
Sit ups		

Art, Design and Technology

Make a trophy/medal

Create your own mini skateboard/hockey sticks

<https://www.pbs.org/parents/crafts-and-experiments/mini-skateboards>

<https://www.todaysparent.com/family/crafts/how-to-make-mini-hockey-sticks/>

LeRoy Neiman – sports painter

LeRoy Neiman was named the official artist of the Olympiad in 1972; he held that role through five Olympics.

Create your own LeRoy Neiman inspired artwork. Think carefully about colours, particularly the primary colours (red/blue/yellow), and your brush strokes. LeRoy tended to use long brush strokes in different directions to create different blocks of colour.

Religious Education

Activities set by Mrs Cole will be sent out on class dojo each week.

PSHE

Fair Play Code

Fair Play means more than just following the rules. Games and contests become opportunities to strive - with opponents - for excellence.

You have created a new sport, and there is now a club for you and your friends to play the sport. Now you need to think about the kinds of behaviours that might make up a code for fair play. You need to make a list of your best ten ideas and present them.

Examples:

- *When I play fair I:*
 - *Respect the Rules*
 - *Respect the officials and accept their decisions*
 - *Maintain self-control at all times*
