

LO: to describe a jungle scene using adjectives, alliteration and similes.

Imagine we have gone through the wardrobe together and we are in a new jungle.

If I passed you my telescope, what would you see through it? What would the new jungle be like? What weird and wonderful things would be in this new place?

Descriptive techniques to use to describe your new jungle:

- adjectives (describing words)
- alliteration (same letter or sound at the beginning of words)
- similes (comparing one thing to another, e.g. golden like the inside of a treasure chest / as turquoise as an exotic ocean.)

Draw and label what you would see through your telescope:
