|  | LEARNING OBJECTIVE | MAIN TEACHING | ACTIVITY | RESOURCES | VOCABULARY |
| :---: | :---: | :---: | :---: | :---: | :---: |
| $\begin{aligned} & \grave{Z} \\ & \stackrel{\rightharpoonup}{4} \\ & \stackrel{\rightharpoonup}{\gtrless} \end{aligned}$ | To understand decimals | - Explain decimals and ask for examples <br> - Decimals on a number line <br> - Compare to equivalent fractions (tenths) <br> - Writing decimal numbers <br> - Creating decimal numbers to 2 decimal points <br> - Partitioning decimal numbers to 2 decimal points <br> - Creating decimal numbers to 3 decimal points <br> - Partitioning decimal numbers to 3 decimal points | The children are to complete WORKSHEETO1a. The more able are to complete WORKSHEETO1b. | worksheet counters | decimals <br> fractions <br> tenths <br> hundredths <br> thousandths <br> place value <br> decimal point <br> place holder |
|  | To understand decimals as fractions | - Decimals on a number line <br> - Compare to equivalent fractions (tenths, fifths and quarters) <br> - Writing decimals from shaded blocks (tenths) <br> - Writing decimals from shaded blocks (tenths and hundredths) <br> - Converting decimal numbers to fractions | The children are to complete WORKSHEETO2. | worksheet | decimals <br> fractions <br> tenths <br> hundredths <br> thousandths <br> place value <br> decimal point <br> place holder |
|  | To understand decimals as fractions | - Recap on equivalent fractions (tenths, fifths and quarters) <br> - Writing decimals and fractions from shaded blocks (tenths) <br> - Writing decimals and fractions from shaded blocks (tenths and hundredths) | The children are to complete WORKSHEETO3a and WORKSHEETO3b. <br> CHALLENGE sheet. | worksheet | decimals fractions tenths hundredths thousandths place value decimal point place holder |
|  | To round decimals | - Estimating decimal numbers on a number line <br> - Recap on rounding whole numbers using a numberline <br> - Move to decimals and point out the similarity <br> - Practise rounding numbers on a numberline | The children are to complete WORKSHEETO4. CHALLENGE sheet. | worksheet | decimals fractions tenths hundredths thousandths place value decimal point place holder |
