PIRATE TREASURE!

The seven crew members of a pirate ship found a treasure chest containing 1,440 gold coins on a desert island in the Pacific Ocean.

Captain Calamity got a third of the gold coins.

Toothless Tom got a quarter of the gold coins.

Ruthless Ruby got a fifth of the gold coins.

Jumping Jack got an sixth of the gold coins.

The other three pirates, Horrible Hanna, Peg-Leg and Smiffy, shared equally what was left over.

How many gold coins did each pirate get?
