

HOW MANY TRIANGLES?

How many triangles can you find in the shape below?

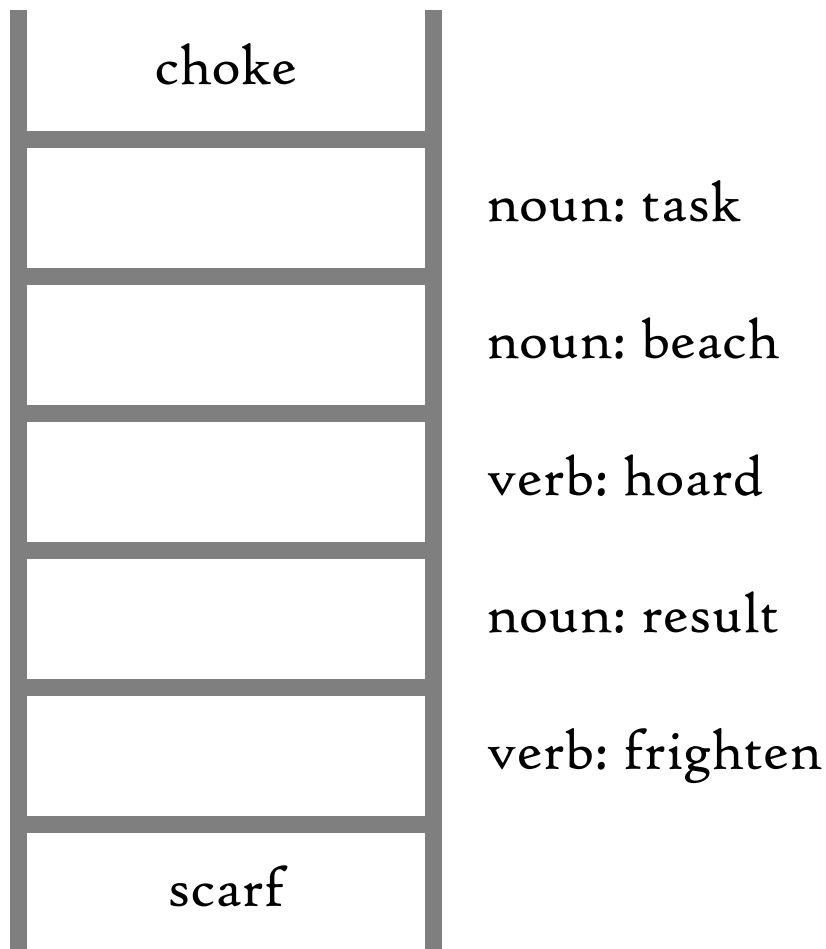

Draw a different triangle on each of these shapes in a bright colour.

WORD LADDER

Can you turn the word 'choke' into 'scarf' in six steps by changing each and every letter one at a time? You may have to change a letter more than once. Use the clues to the right to help you. If you get really stuck use the online thesaurus at the website below or use your own if you have one. Remember: if the clue says 'verb' make sure you are looking at verbs in the thesaurus.
