Dear Parent / Guardian,

The **Medical Entomology Centre** has been given kind permission by the Head Teacher to come and visit the school at various times throughout the school year to anonymously comb the children for head lice. These checks have proved to be a success at other schools in the area.

If head lice are found the child will be discretely given a voucher for a suitable head louse treatment redeemable at a local pharmacy.

If you **DO NOT** want us to comb your child for head lice then please return the attached form to the school no later than *26th January 2023*.

If you have any questions then please call our Deputy Director Elizabeth Brunton on **01223 810078** or email her on beth@insectresearch.com and she will be happy to answer any questions you may have.

.....
If you **DO NOT** wish your child to be combed for head lice then please fill out this form and return it to the school.

I.....parent / guardian of

Class..... Teacher.....
