LO to make tally charts

TASK: Count your items of clothing and make tally marks in the boxes. Complete the chart for all items of clothing.

For example,

pants   I counted 7 pants so 卌 ||

clothes	tally	Frequency
pants	卌 ||	7

Note: Frequency = number of tally marks

Tally clothes chart

clothes	tally	Frequency
pants		
pairs of socks		
t-shirts		
trousers/leggings		
jumpers/cardigans		
pairs of shoes
