Maths	to make tally charts	Watch the video: https://vimeo.com/501669795 and then you could do the first 'Make tally chart' sheet using your clothes or go on to watch the second video: https://vimeo.com/501671369 and do the worksheets	Choose which activity would suit your child from these two: 1) Make tally chart for their clothes - pants, pairs of socks, jumpers, trousers/leggings, shoes, tshirts 2) Worksheets	S2 Wk1 Make tally charts pants, pairs of socks, jumpers, trousers/leggings, shoes, tshirts S2 Wk1 Make tally chart worksheet and answers	tally chart
English	to write my idea for a new character	ZOOM 10am with Mrs Sycamore LOOK AT SWIFTS CLASS ENGLISH PLAN FOR INSTRUCTIONS AND RESOURCE LINKS			
Science	to revise the keywords and concepts of habitats	Follow the slides. Discuss the meanings of the keywords. Check your answers. Continue with the quiz and answer the questions which cover the concepts from the half term 'Habitats'.		Wk1 Habitats Quiz slides	keywords
English Spelling common exception words	Y1/2 to be able to spell common exception words	Test your child on the common exception words from the y1 or Y2 'common exception words mat'. When they have spelt 6 incorrectly, write those words on the ROLL IT sheet for them to practice or, if not using the sheet, assign a dice number to the words. Roll a dice and then write the word in the correct column or on your paper in a list. Keep rolling until all the columns/lists are filled. Discuss the meaning of the words and put them into oral sentences or written sentences.	Y1 Y2 common exception words mat Roll it sheet 		common exception words
