## **AFTER SCHOOL CLUBS SURVEY - SWAFFHAM PRIOR PRIMARY SCHOOL**

Dear Parents and Carers,

Premier Education are looking to continue with our after-school provision on Friday afternoons.

For a number of terms, we have been running a Multisports club which has been running well, but we'd like to invite parents and carers to complete a survey which will allow you to select any other sports you may like to see take place during this session.

To gauge whether there is continued sufficient interest level for this club, and to have feedback on the possibility of changing the activities, please complete the survey by clicking on the below link by Tuesday 14<sup>th</sup> March 2023.

Once we have received responses we will communicate with the school as to what we may be able to offer.

\*All information and data collected from the survey will only be used for the purpose of measuring interest. We will only share this data with the school securely when compiling responses for the measurement of interest for this club.
