

	Learning objective	Main teaching	Activity	Resources	Vocabulary
Monday	To order objects and numbers	Y1 lesson video: https://vimeo.com/460142284 Y2 lesson video: https://vimeo.com/457681015	Y1 – Take two (or three to make it more difficult) number cards (0-9) and represent each amount using counters. Order the amounts, circle them on a number track and write the numbers in order smallest to biggest. Y2 – Order 2-digit numbers from sheet. Use tens and ones to build each and circle the numbers on wipe-clean 100 square. <i>Challenge – turn over and order two 2-digit number cards. Which number could go in between the two and still be in order? Which other numbers could go there?</i>	0-9 number tracks counters 0-100 comparing numbers sheet tens and ones 100 square 2- digit number cards	order more/greater less
Tuesday	To draw and measure lengths in cm	Show 2 objects. Measure with a ruler. Remind to start at the zero and count along the ruler carefully. Look at the end of the object and where it sits on the ruler. PPT Wk5 Draw and measure length in cm up to slide 8. Y2 - As above - continue with reasoning questions slide 9-13	Complete Balloons and Kites sheet. Support measuring with ruler from zero and lining up carefully.	Couple of objects Balloons and Kites sheets rulers	zero centimetres
Wednesday	To count in twos	Watch lesson video: https://vimeo.com/458895423	Y1 Counting real objects up to 20 in twos and recording each amount by shading squares on a number track to 20. <i>Support – jump along a chalk number track outside, counting in twos to reinforce the idea that we are missing out every other number.</i> Y2 Counting pictures of objects in twos. Recording on a number grid to 50.	1-20 or 1-50 number grid Even amounts of real objects to count (up to 20) or pictures of pairs of objects sheet	pair count twos
Thursday	To count in fives	Watch lesson video: https://vimeo.com/458895748	Y1 Counting five pence coins, fingers, toes etc in fives and recording each amount by shading squares on a number track to 20. Y2 complete counting in 5s worksheet activities.	Five pence coins Y2 counting in 5s worksheet	fives count

Friday	To count in tens	https://vimeo.com/458895995	Y1 counting ten pence coins, pairs of hands etc in tens. Shade numbers on a 100 square. Y2 complete counting in 10s worksheet activities.	10 pence coins Y2 counting in 10s worksheet	tens count
