

Wk2 Swifts Plan Tuesday 20.4.21

	Learning objective	Main teaching	Activity	Resources	Vocabulary
Maths	to know the order of the days of the week	What do we do on the different days of the week? What days are the weekend? What day starts the week? What day ends the week? Can we put them in order? SING SONG Look at Ben's calendar. Talk about what happens on each day. Put the days in order on the sheet. Draw something for each day of the week and talk to parents about what happens on each day.		Ben's calendar sheet Days of week chart Challenge sheet	Monday Tuesday Wednesday Thursday Friday Saturday Sunday calendar
English	To use present and past tenses correctly and consistently	When we write a recount, it is about something that has already happened to us, so should be mostly in past tense. Write past tense sentences about an event, perhaps using a picture stimulus.		picture stimulus	past present tense
Science	to name microhabitats and the animals that live there	Review star words: habitat organism. Introduce microhabitats and minibeasts. Match minibeasts to microhabitats.		picture cards: rotten log pond minibeasts mat	microhabitat organism rotten minibeast
English Spelling common exception words	to spell words on the year 1 or year 2 common exception word list	Test spelling words on the year 1 or year 2 common exception word list. When six incorrect then use them to complete the spiral sheet, writing the words in a spiral. Remember to turn the sheet not your hand!		Y1 and Y2 common exception word mat Spiral sheet	spiral
